I was even more captivated by the story line which grew better and better as I continued to read. If you have seen the Anime, this is far better as the story line is explained better. Everything makes perfect sense in the end and will really make you think about humanity and how selfish we are.0 of 0 people found the following review helpful. Gantz ReviewBy ObsidianNow if you have been following this manga from the beginning than you KNOW this Volume is a must have! It digs a lot into one of my favorite characters: Reika. Also it reveals a

secret about Gantz that everyone has been DYING to know! Hah! The quality of the book is great, shipping is normal. Expect a great read.0 of 0 people found the following review helpful. Five StarsBy Jonathan LewisGood to go.

The shape-shifting, 100-point alien boss has finally been destroyed - along with much of Osaka - and Kei Kurono is back on the team, resurrected after his second death. But good times never last as the Gantz orb reveals a countdown clock showing that Earth has just over a week before catastrophe strikes, and the Tokyo team is whisked to Italy to face a new set of deadly foes on what may be their final mission!
