Gilbert Hernandez : Garden Of Flesh before purchasing it in order to gage whether or not it would be worth my time, and all praised Garden Of Flesh:

0 of 0 people found the following review helpful. This is pretty much a Gilbert Hernandez take on a Tijuana bibleBy Davis CabbageThis is pretty much a Gilbert Hernandez take on a Tijuana bible. If you're a big fan of Gilbert, it's interesting to see his work in color, as you know he mostly does black and white work, but this interest is kind of marred by 70% of the book just being sex scenes.Also, is that Fritz as Noah's wife?All in all, not Gilbert's best work. Keep out of reach of your kids for sure.2 of 6 people found the following review helpful. Pornographic pages pre-stuck togetherBy grafdogI should say the reason im not liking it is because its defective the pages are stuck together. When this book was produced it wasn't cut correctly along the outside edge of the pages, which are still connected by 1 to 3 inches. Every 5 pages or so i had to use a razor blade to cut the pages apart in order to read them. Frustrating. After a while I got tired of having to carve up the pages just to read what seems to be a rather crudely drawn Tijuana

bible type comic with little consequence, and threw the book down in disgust. I plan on kicking it under a dresser or bed rather than picking it up and disposing of it properly.

Award-winning cartoonist Gilbert Hernandez gives his own unique spin to Bible tales in this graphic novel. As only the unfettered Id of Gilbert Hernandez could conceive, Garden of Flesh is a sexually explicit retelling of the story of Adam and Eve up to Noah's Ark. Hernandez presents a straightforward adaptation of the Bible parable, but one that also blurs the lines between erotica and pornography, as only Hernandez can. Full color illustrations throughout

Gilbert Hernandez continues his seemingly effortless mission to be one of comics most difficult to categorize creators with this new graphic novel. After the magic-realist social history of his Love Rockets material and the supernatural thriller The Twilight Children, where else should he go but a sexually explicit retelling of the Bible from Adam and Eve up through Noah's Ark? Expect explorations of the Good Book that you'd never find in Sunday School, as Hernandez finds new space to talk about subjects and stories many grew up with. - WIRED About the Author Gilbert Hernandez lives in Las Vegas, NV, with his wife and daughter. He is co-creator of the long-running, award-winning, and critically acclaimed series Love and Rockets.
