A must add for any serious comic collector.By FermierThese volumes provide and interesting look back in time to how life was back in the 20's and 30's. Very well put together!1 of 1 people found the following review helpful. the feel good iconic comic stripBy Steven G. SwensonIncredible! Mr. King so makes me wish to go back in time to a simpler, grander america. Oh, how wonderful that would be.1 of 1 people found the following review helpful. Five StarsBy Customerbeautifully done, this is how archive books should be done.

Presenting the second in a series that will collect, in chronological order, all the Sunday pages of the celebrated newspaper strip! Discover the abundant wonder and dazzling beauty in the world--as seen through the eyes of creator Frank King and his beloved characters, Walt and Skee-zix, in some of Gasoline Alley's most artistically imaginative art! Reprinted in full color, using the King family's collection of proofs, this giant sized volume collects every Gasoline Alley Sunday strip from 1923 through 1925.

About the Author Frank Oscar King (April 9, 1883 - June 24, 1969) was an American cartoonist best known for his comic strip Gasoline Alley. In addition to innovations with color and page design, King introduced real-time continuity in comic strips by showing his characters aging over generations.
