Marc Bernardin, Adam Freeman : Genius Volume 1 (Genius Tp) before purchasing it in order to gage whether or not it would be worth my time, and all praised Genius Volume 1 (Genius Tp):

1 of 1 people found the following review helpful. I loved this bookBy pnutbuttaI loved this book. The story is like comic adaptation of movie, The Spook Who Sat by the Door. Except it's set in South Central LA.I highly recommend this to anyone who enjoys thrillers and action dosed with a little conspiracy theory. Looking forward to book 2.1 of 1

What if the greatest military mind of our generation was born to a people who are already supremely conditioned to wage war, who know nothing but violence since birth, and must continually adapt to new predators in order to survive? What if the second coming of Alexander the Great, of Genghis Khan, of Napoleon, of Patton...what if it was a teenaged girl from South Central, L.A. named Destiny? And what if she decides to secede three blocks of the Hood from the Union? Who is going to take it back from her and her army of gangbangers? Who CAN?
