George Romero : George Romero's Empire of the Dead before purchasing it in order to gage whether or not it would be worth my time, and all praised George Romero's Empire of the Dead:

Godfather of undead lore George Romero unleashes his latest epic - pitting zombies against vampires! Years after the dead rose, Manhattan has been quarantined - but that doesn't mean everyone inside is safe! For another ancient

predator has taken a bloody bite out of the Big Apple - yes, vampires rule! Zombies still roam, and some are used for sport in the bloody arena known as Circus Maximus. But while the rival groups of ghouls clash, the remaining humans are caught in the cross fire. And when outside forces knock on Manhattan's walls, more death rains down from above! As Mayor Chandrake makes dangerous power plays, can the bloodsuckers keep their grip on the city? Or are they heading for all-out war over the Empire of the Dead?COLLECTING: GEORGE ROMERO'S EMPIRE OF THE DEAD: ACT ONE 1-5; ACT TWO 1-5; ACT THREE 1-5
