For someone who read most of the comics and wanted them all in once place, you can't get much better than this. It looks great sitting on my coffee table and the pages just jump off the page. Can't wait for the next release!1 of 1 people found the following review helpful. Readin' Makes Me Feel GoodBy

Zander Nao From cover to cover, this is a perfect collection. Even the covers are pieces of art with the embossed detailing. The sheer quantity and quality of this really makes it worth every penny. The stories inside cover a very dynamic plot arc and it sets up the Cryptozoic Ghostbusters Boardgame very well. Superb purchase. 0 of 0 people found the following review helpful. Five Stars By XGreat book

Psychokinetic energy is on the rise and the boys are as busy as ever! But a new contract engineered by Walter Peck limits their ability to bust ghosts in the city. As they take their act on the road, a new team swoops in to give them some competition. This oversized, deluxe hardcover collects the first 16 issues of the ongoing Ghostbusters series, and includes all PCOC pages, a backup story, and an art gallery.

About the Author Erik Burnham is a Minnesotan writer and artist that first broke into comics with a series of humorous short stories in the Shooting Star Comics Anthology. After working on a horror story for Gene Simmons' House of Horror #3 at IDW Publishing, Erik worked on several other projects for IDW, including his current critically acclaimed run on the ongoing GHOSTBUSTERS comic book. He's also been fortunate to work on many other projects, including varied work for Cryptozoic, Insight Editions, Marvel, and Panini.
