IIGhosted Volume 1 was a self-contained story with an outstanding story concept. The dialogue was a bit clunky at times, but overall, the book delivered on its Ocean's Eleven meets Poltergeist promise. It ended with all of the major storylines wrapped up nicely. Volume 2 feels like a movie sequel to a popular film that tries to revisit a number of the

old plot lines (with a new twist) and returns the surviving (and even non-surviving) characters. It's entertaining and a quick read. It doesn't offer up anything new, nor deeply thought provoking. A good comic for the beach or to get ready for a Halloween party. 0 of 0 people found the following review helpful. Yes. Just yes.
