If you're weird, get this!2 of 2 people found the following review helpful. Do it for Sir HippothesisBy Jason AndrewsA decent end to a series that started at an 11. A bit of a let down, in terms of writing

quality, but its still better than 80% of what you're going to read.

The incredibly strange, totally true story of the Power Persons Five continues! Be sure to hunker down as our world is invaded by crab people and the evil King Tiger Eating a Cheeseburger! That's right. You heard me. Hunker down! Collects GOD HATES ASTRONAUTS #6-10.
