A great, cosmic adventure story!By Hwy61JoeThis Eisner Award-nominated hardcover collection contains the first 12 issues of the GODLAND series by Tom Scioli and Joe Casey and includes an introduction by fan-favorite writer Grant Morrison. This is truly one of my favorite books in my collection. GODLAND is full of an unforgettable cast of characters including an alien dog-being, a cosmic powered hero (and his siblings), a villain with a floating skull head and so much more! Scioli's art is beautiful and the story is fun and

exciting. I guarantee it is different from anything you have read before! 1 of 1 people found the following review helpful. Godland is a must buy! By Christopher Fantastic book!!!!
