The rest of the evil alien race shows up complete with there own "superior" genetically alter monsters to take over the earth. Our heroes from the first series have there backs against the wall. The space

monsters Gigan and Space Godzilla go at it to the end in the middle of the alien fleet, Godzilla has a dance with an old partner Eibrah..0 of 0 people found the following review helpful. ... running Godzilla series from IDW continues to impress and amaze with classic Godzilla storytelling and wonderful artwork toBy Paul J. GundrumThe longest running Godzilla series from IDW continues to impress and amaze with classic Godzilla storytelling and wonderful artwork to bring it to life! You are not a "real" Godzilla fanatic unless these volumes are sitting on your bookshelf.0 of 0 people found the following review helpful. If you like the series so farBy CustomerIf you've read this far, this is a must have for the series. If you like the series so far, this will bring no disappointments.

Government experiments with new forms of energy bring unintended consequences... in the form of SpaceGodzilla! Plus, Battra and Kumonga begin a ferocious battle that could destroy Monster Island completely! And Godzilla has his hands full with a monster hes never fought before. Collects issues #1720.
