Godzilla and a few monsters stand against many Losses come hard as our heroes and monsters suffer like never before and when the smokes settles who will be the rulers of the earth?1 of 1 people found the following review helpful. The perfect endingBy Trae A HintonThis is by far the best Godzilla comic series to date and the ending does not disappoint. IDW did a great job. A great end to a good series.By WhyJakeWhy?Giant monsters fight giant monsters, mmm mm mm. With mostly great illustration work and a fantastic representation of all those great Toho monsters of yesteryear, Rulers of Earth ends with a bang, just don't expect an interesting story with the humans the monsters are where it's at.

The Trilopods arrive, and no monster is safe! Will Godzilla be able to help save the planet? And which Kaiju will help or hinder him? Collects the conclusion of the series issues #2125.
