from the Godzilla mythos. Both popular and obscure. A must read for fans seeking nostalgia. 0 of 0 people found the following review helpful. AwesomeawesomeawesomeBy NITSUD!This is the best Godzilla comic I've ever read! Love the artwork, especially Matt Frank and his fantastic skills, and the story is pretty good too. I don't really read many comics anymore, but I've made an exception for this series. Check it out!

Dozens of new monsters have risen from the depth and are staking out their own territory, regardless of humanity's political borders! A war of dominance beings... will Godzilla end up on top?
