Joe Simon, Jack Kirby, Stan Lee, Al Avison : Golden Age Captain America Omnibus Volume 1 (Marvel Omnibus) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Golden Age Captain America Omnibus Volume 1 (Marvel Omnibus):

issue #1, 9 months before Pearl Harbor. These collections are really a treasure. i am a Silver Age collector but some of this early issues I no longer have and these editions are great way to fill it in, in an affordable manner.0 of 0 people found the following review helpful. Steve Rogers might have been the prototypical 98-pound weakling, but that wasn't going to stop him from serving his country. Transformed by the Super-Soldier Serum into America's #1 fighting man, he became a symbol of patriotism, hope and perseverance on the eve of the nation's entrance into World War II. Now at long last, you can experience the original Golden Age adventures of the Sentinel of Liberty from his 1941 inaugural appearance in one deluxe, oversized and remastered package! You'll meet Bucky Barnes and the Red Skull for the first ti me, behold Simon Kirby's trend-setting brand of storytelling - and even read Stan Lee's very first comic book tale! So salute, soldier...Captain America has arrived! COLLECTING: CAPTAIN AMERICA COMICS 1-12
