Yuanimo if you like toradora, you'll like golden time, and with volume 3 and onwards that sentiment remains the same. this volume iirc deals with banri starting to remember bits and pieces of his relationship with linda and trying to tiptoe around some things while being somewhat of a mediator between rich girl and his friend, and trying to keep things not so weird with rich girl (doesn't really succeed so it's kind of awkward).0 of 0 people found the following review helpful. Life, love, and education! College Freshman Tada Banri is looking forward to a new lease on life, starting with his ambitious journey and entry into a private law school in Tokyo. As luck would have it, during the opening ceremony for the freshman class, he happens across an unfortunate person from his past. Her name is Mitsuo Yanagisawa, a buxom-beauty who slaps Banri across the face with a bouquet of roses. Just who is she and what's her beef with Banri?
