Paul Dini : Gotham City Sirens Book One before purchasing it in order to gage whether or not it would be worth my time, and all praised Gotham City Sirens Book One:

3 of 3 people found the following review helpful. Beyond awesomeBy Angela JI love comic books and comic related movies, tv shows and collectibles. I've always had a fondness for Catwoman. With the release of suicide squad around the corner I wanted to know Harley Quinn a little better and I found this series that features Catwoman, Harley and

Poison Ivy. This was such a fun read! I would highly recommend for DC comics fans, or anyone like myself that hasn't read many comics over the past few (ok more like 35) years. Very easy to get in to, without having to know a whole complicated past of these ladies. 2 of 2 people found the following review helpful. Don't miss out of this gem! By Mrs. Buys-A-Lot I purchased this book for a friend and ended up stealing it for myself. I will admit this is the FIRST graphic novel I have ever read. What an incredible experience. I could not put this book down and finished it within two days. I cannot wait to read volume II. I look forward to reading more from this author. My friend who has been reading graphic novels and comics for years was also in love with this novel. It provides fun and interesting stories of characters we love. Great read for readers new and old to the comic world. Highly recommend! 4 of 5 people found the following review helpful. It is my all time favorite DC comic series By Alexandra Scarpello Docked a star because my supposedly "new" package came bent and ruined. But I also wanted to attest my pure, unadulterated passion for this comic. It is my all time favorite DC comic series. While it primarily features Ivy, Harley, and Catwoman, it features all of the DC ladies to a degree; the more morally ambiguous, the more likely you are to see them here. This comic does two things really well. It humanizes a lot of characters that we love, but don't always understand. A huge part of this comic is the friendships that these girls cultivate among each other, and how strong their loyalties are. It also gives weight to the female characters of DC, sidelining the fellas in favor of female rivalries and friendships. Characters like Batman and the Joker, who would typically be running the show, are not. and it's fun. A lot of fun. Sure, there are some intense and emotional arcs that give us insight into the lives of these bad girls, but there are also a ton of stories where they are going on goofy adventures. All of this is packaged quite nicely and naturally. The art is quite consistent and pretty solid, even though it's not the newest comic out there. It's also one of the last depictions of the original Harley Quinn before her looks and personality were altered for new 52. Do yourself a favor and give this comic a try. You will be happy you did.

From Emmy and Eisner Award-winning Paul Dini (DETECTIVE COMICS, Batman: The Animated Series) comes GOTHAM CITY SIRENS BOOK ONE! Catwoman, Poison Ivy, and Harley Quinn they're beautiful, they're deadly, and for the first time in their lives, all three are trying to fly on the straight and narrow. Tired of playing by other people's rules, regardless of which side of the law they're on, these tough ladies have a new agenda that's all their own, and they'll use any means necessary to pursue it. Only, sometimes, friends can be more trouble than they're worth. Particularly when they're unaccustomed to things like loyalty or sanity. With the Bat away, these sirens will play, and no one not Hush, the Riddler, or even the Joker knows what to expect from the bad girls of Gotham City. But life off the lam is no bed of roses. Especially when maniacs are killing innocents and making it look like the Sirens are the culprits, when Ivys new civilian identity proves murderously difficult to maintain, and when Catwomans sister comes to town to ride of the demon she believes possesses her and rid her of her life in the process! Featuring the gorgeous artwork of Guillem March (BATMAN), Andres Guinaldo (NIGHTWING), and more, Batmans hottest rogues tread a new path by the along with writers Paul Dini, Tony Bedard (SUPERGIRL), Scott Lobbell (TEEN TITANS), and Marc Andreyko (BATWOMAN) in GOTHAM CITY SIRENS BOOK ONE. Collects issues #1-13.

"Fun is definitely the key word for GOTHAM CITY SIRENS." EXAMINER "The idea of a book written by Paul Dini and starring Catwoman, Poison Ivy and Harley Quinn seems like sheer brilliance." COMIC BOOK RESOURCES About the Author The winner of multiple Emmy, Eisner and writers Guild of America Awards, Paul Dini is renowned for his work on Batman: The Animated Series and Lost, the comic book series DETECTIVE COMICS and Jingle Belle, and the graphic novel THE WORLD'S GREATEST SUPER-HEROES. He was head writer on DC Comics' 2007 weekly series COUNTDOWN TO FINAL CRISIS, and is the writer of the new series BATMAN: STREETS OF GOTHAM and GOTHAM CITY SIRENS.
