**Peter Calloway : Gotham City Sirens Book Two** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Gotham City Sirens Book Two:

This one wasn't "bad" and it even had some really great "oh wow" moments for plot and art. But it felt a little inconsistent and suffered some in comparison to Gotham City Sirens One, which had stronger cohesive storytelling. I

felt there were loose ends and plot holes in several places, but I know that's at least partly because I've not read some related comic volumes that would fill in some of the blanks, so: forgivable. I do love these characters and overall it was a fun and entertaining read. Bottom line is, if there were more to the series, I'd keep reading. 0 of 0 people found the following review helpful. An End to Friendship? By Matthew D'Souza A nice end to the Gotham City Sirens collections thus far. Harley, Selina, Ivy all get further into trouble that tests their blossoming friendship. I had fun reading this, I think fans of these characters will have a blast reading Book Two. 0 of 0 people found the following review helpful. Love love love it! By Angela J I love comic books and comic related movies, tv shows and collectibles. I've always had a fondness for Catwoman. With the release of suicide squad around the corner I wanted to know Harley Quinn a little better and I found this series that features Catwoman, Harley and Poison Ivy. This was such a fun read! I would highly recommend for DC comics fans, or anyone like myself that hasn't read many comics over the past few (ok more like 35) years. Very easy to get in to, without having to know a whole complicated past of these ladies.

Together, Catwoman, Harley Quinn and Poison Ivy are three of Gotham City's most powerful quasi-reformed criminals and together they spark scandal wherever they go. Poison Ivy has long charmed the men of Gotham City, but now she's the one falling under a spell. Captivated with a plant-based alien inside S.T.A.R. Labs, she weds her cause to his and undertakes a Plantifest Destiny that leaves no room for humans not even her sisters-in-crime. Catwoman and Harley Quinn try to tear their friend's heart away from the alien menace, but they find out how slowly the threat of love dies. The excitement continues when an underworld plot to kidnap Catwoman and pluck her beloved Batman's identity from her mind shakes the Sirens. As the sorry enemy of Ivy and Harley' ex the Joker, the Dark Knight will always divide the three, and Catwoman's feelings have barely been tolerated to this point. So when Talia al Ghul and Zatanna rush in to help save Selina, it's not exactly clear who's doing the saving and who's doing the hurting. And when Harley stages a riot in Arkham Asylum to the Joker, it could be the beginning of the end of the Gotham City Sirens. As the situation inside Gotham quickly spins out of control, and Harley becomes more and more mired in her obsession with the Clown Prince of Crime, Poison Ivy and Catwoman struggle over how to handle their estranged teammate. The Gotham City Sirens are ready to make their final stand, but will they be fighting each other? Writers Tony Bedard (SUPERGIRL) and television's Peter Calloway (Brothers Sisters, Hellcats) team up with artists Andres Guinaldo (NIGHTWING), Jeremy Haun (BATWOMAN), Ramon F. Bachs (BATMAN: STREETS OF GOTHAM) and more, in GOTHAM CITY SIRENS BOOK TWO! Collects issues #14-26.
