Great read By jose The absolute best manga series ive ever read after the first manga i was hooked i fell in love with the main heroine Sora and who wouldn't she the funniest and craziest personality of any character you will come across 0 of 0 people found the following review helpful. Support the author! By j1314 A hilarious story, absolutely ridiculous and geared towards guys. What's more, the quality of the images is unmatched by rogue scanlators (but they essentially work for free). I simply love the Kindle version!

Cheaper, lighter, and portable.0 of 0 people found the following review helpful. Five StarsBy Kindle CustomerThis was for my son and he is collecting all things anime!

A powerful rival appears before the one and only Sora Nagihara, and this girl has still more "secret techniques" in her bag of tricks!! As this force of nature embroils innocent bystanders in her schemes, will she leave a major disaster in her wake...?! And when yet another new face catches Shouta's interest, all sorts of sudden and drastic developments transpire! Get ready! Brutal, brazen babe Sora reveals more of her abundant charms!
