Mike Grell : Green Arrow: The Longbow Hunters before purchasing it in order to gauge whether or not it would be worth my time, and all praised Green Arrow: The Longbow Hunters:

2 of 2 people found the following review helpful. The Greatest Green Arrow Graphic Novel of All Time By Matthew D'Souza Mike Grell wrote illustrated this comic book masterpiece. Real human emotions, street crime, cocaine trafficking, arrow shooting, and love making all come together in this brilliant graphic novel. Mike Grell makes Oliver Queen a relatable man and a superb hero as Green Arrow. Excellent, mature writing, mixed with detailed and unique

artwork make this the most standalone and most impressive Green Arrow book out there. For all Green Arrow fans, perfect starting point for newcomers interested in the classic Green Arrow stories, and hardcore Arrow fans who want to dive deeper into the more complex world of Green Arrow's backstory. The definitive Green Arrow story. The Longbow Hunters by Mike Grell is my favorite Green Arrow graphic novel. I cannot recommend this book enough. 5 of 5 people found the following review helpful. Hits the mark. By MoserGray Since Arrow is all the rage on TV, I picked this up wishing to learn more about the character. I was impressed with the writing and art, and happy to see some of the things which were examined in the show: namely Shadow and when in the comic time line did Ollie go from his Robin Hood type costume to the hood that he now wears. Arrow fans be warned: there is no mention of Roy, Diggle, Felicity, Sarah, Malcolm, or Thea. Still, that shouldn't put you off of a captivating and well told story. 3 of 3 people found the following review helpful. The actor who plays Oliver on the series "Arrow" read ... By Jeremy Michaels The actor who plays Oliver on the series "Arrow" stated that he read this and Year One, so I wanted to check them out. I bought this along with Year One. I preferred this story and can tell why it's a classic. Certainly a must own for any Green Arrow fan.

A new edition of Green Arrow: The Longbow Hunters collecting the 3-issue 1987 miniseries. Oliver Queen gives up his trick arrows and settles down in Seattle with Dinah Lance. But Ollie's world collides with one of unspeakable violence involving the beautiful and mysterious archer known as Shado.

About the Author/Artist Michael Jon Grell quickly made a name for himself in comics by tackling one of its most difficult assignments: the seemingly infinite universe of the Legion of Super-Heroes. From there, Grell joined Dennis O'Neil for a well-received Green Lantern and Green Arrow revival and might have become a regular contributor to the Batman office if his creation Warlord had not taken off to become DC's most successful fantasy title ever. Grell (whose other works of note include Jon Sable, Freelance, Starslayer, and Green Arrow) still writes the occasional Batman tale.
