Geoff Johns : Green Lantern, Vol. 1: No Fear before purchasing it in order to gage whether or not it would be worth my time, and all praised Green Lantern, Vol. 1: No Fear:

1 of 1 people found the following review helpful. Good Start to Jordan's Rebooted Campaign By Julian Pope This is a good collection, from the beautiful Alex Ross cover one is already drawn in by the soft green glow of the seductive power ring that graces the finger of Hal Jordan. I'm not sure that theres anything particularly excellent about the book but it is a good start after the likes of Secret Origin and GL Rebirth. Once again Geoff Johns really is the master of

destinies as he continues to forge his way into comic book immortality by giving The Greatest Green Lantern of them all a rich and bright future. 0 of 0 people found the following review helpful. Made me a fan. By Isaac Paris I didn't really care about Green Lantern until I read this book. The story is great and the art is phenomenal! This comic not only made me like Green Lantern but turned me into a Geoff Johns fan too. After reading this I've been collecting most of Geoff John comics and he does not disappoint. His Green Lantern run is one of the best. 0 of 0 people found the following review helpful. Better than before. By Kieran Malaqai Lee Gilliam I did not think that "filler" on this story could be written so well. When I started reading I figured that it would go in order of story, by date, but instead it goes by how the story really should be told in The writers perspectives. However if you pay attention while reading you'll come across parallel stories from other heroes. I thoroughly enjoyed this read and can't wait to buy the recharge collection. The animation differs and keeps the story fresh.

A softcover edition collecting GREEN LANTERN #1-6 and GREEN LANTERN SECRET FILES #1! Hal Jordan is back from the dead now watch as he reestablishes his life as a pilot. Standing in his way, though, is one of the deadly Manhunter androids followed by the Shark

About the Author Geoff Johns is an award-winning writer and one of the most popular contemporary comic book writers today. Johns is the author of the New York Times best-selling graphic novels Aquaman: The Trench, Blackest Night, Green Lantern: The Sinestro Corps War, Justice League: Origin, Superman: Brainiac and Batman: Earth One which hit number one on the bestseller list. He is also known for transforming Green Lantern into one of the most critically and commercially successful franchises in comics. Johns has written for various other media, including episodes of Smallville, Arrow, and Adult Swim's Robot Chicken, for which he was nominated along with his co-writers for an Emmy. He is the Chief Creative Officer of DC Entertainment and resides in Los Angeles, California.
