Paulsen Though a lot of people seem indifferent about Venditti's run on GL, I think it's been excellent. It's consistently one of the better books coming out. I feel like his best stories are still yet to be told. I hope he stays on this book for a long haul. 0 of 1 people found the following review helpful. Five Stars By Kindle Customer Go green

DEADLY HOMECOMING! Hal Jordan was once the leader of the Green Lantern Corps...but now the Corps is missing, and Hal is the universe's lone renegade Green Lantern, wielding a weapon more powerful than any power ring. With an entire universe in need of protection, Hal has only one place he wants to be back home in Coast City, USA, looking after his brother and his beloved niece and nephew. But when tragedy strikes Coast City, Hal finds himself embroiled in an international conflict just as complex as any intergalactic peacekeeping mission. Worse, Hal becomes unsure he has what it takes to protect the people he loves...and he's not the only one who feels that way. Writer Robert Venditti (*THE FLASH*) and artists Billy Tan (*New Avengers*) and Martin Coccolo (*SINESTRO*) pit Hal Jordan against his greatest enemy himself and Green Lantern will never be the same! Collects *GREEN LANTERN* #47-52 and a special preview of *HAL JORDAN THE GREEN LANTERN CORPS: REBIRTH* #1.
