Sam Humphries : Green Lanterns Vol. 2: Phantom Lantern (Rebirth) (Green Lanterns (Rebirth)) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Green Lanterns Vol. 2: Phantom Lantern (Rebirth) (Green Lanterns (Rebirth)):

0 of 0 people found the following review helpful. But the stories overall are better than I expected them to be By T.

Wheeler Could do without some of the socio-political commentary that crops up. That's not why I read comics. But the stories overall are better than I expected them to be, and the art is generally superb. 0 of 0 people found the following review helpful. two lanterns glow brighter By Welbourne F. Bronaugh III great art and interesting story. pansica delivers on the art 3 of 3 people found the following review helpful. Simon and Jessica Grow On You By Adam Graham This book collects Green Lanterns #7-14 with Simon Baz and Jessica Cruz. This time, we get two inter-related story arcs. The Exiled Guardian that arrived in Issue 6 is present for Baz's family Halloween but also is kidnapped by hostile aliens who want what he possesses which turns out to be the phantom ring which sets up the titular Phantom Lantern Arc. The series really does focus on these two characters and their own personal struggles. Yet, it doesn't depend on retreading the same ground, going back to the same well over and over again. The two are definitely comfortable with another as a team. Jessica shows more of a sense of humor and friendliness. She has insecurities and fears that come through the story particularly that she may not really fit as a Green Lantern due to the power of the Phantom Ring's ability to bring out whichever energy is the strongest. I like the resolution to that arc a whole lot. Simon is not sure he's strong enough. They literally have to face their fears in the course of the story. At the same time, the Phantom Lantern is a great character: a man who was saved by Hal Jordan and who became obsessed with becoming a Green Lantern. He gets the phantom ring and we find he may be the worst person in the world to wield it due to his emotional instability and his tendency to drift across the emotional perspective. He's dangerous and unstable, but he's not a monster. It's interesting to see how this plays out. The long-exiled first lantern was the key to helping him achieve his goal, but what that figure is playing at remains a mystery until the end and even then, it appears only acquired a means to an end. Overall, this book exceeded the first and I like Simon and Jessica more than I did after the first volume. This is probably the biggest surprise I've had in reading DC Rebirth. Highly recommended.

They're the newest recruits to the Green Lantern Corps, but learning to trust each other is the hardest challenge Simon Baz and Jessica Cruz may ever face! Their pasts, their personalities, their hidden fears and deepest secrets—the gap between them is hard to overcome and it just might make them the greatest partners the Corps has ever seen. Buried in the deepest recesses of the universe by the immortal Guardians is a weapon of colossal power: the Phantom Ring, capable of controlling the entire Emotional Spectrum that fuels Lanterns of every color. And a sinister figure from the Lanterns' past has placed the ring in the hands of a human who's singularly unfit to wield such an awesome responsibility. Can Simon and Jessica come together and defeat this nearly omnipotent foe? Or will the fractured light of the Phantom Lantern be the last thing they ever see? Find out in GREEN LANTERNS VOL. 2: THE PHANTOM LANTERN, from the acclaimed creative team of writer Sam Humphries and artists Robson Rocha, Ed Benes and Eduardo Pansica blazing forth from the blockbuster DC Universe Rebirth event! Collects issues #7-14.

It's hard not to walk away impressed. IGN Jessica Cruz is the swift kick in the pants that this franchise needed. Newsarama About the Author Sam Humphries is a comic book writer living in Los Angeles. In 2013, Humphries launched a new Avengers comic called AVENGERS A.I., and relaunched UNCANNY X-FORCE as part of the blockbuster MARVEL NOW! initiative. His work for BOOM! Studios includes HIGHER EARTH and FANBOYS VS. ZOMBIES. He has also created the critically-acclaimed indie hits OUR LOVE IS REAL and SACRIFICE, the latter of which will be re-released in a deluxe hardcover edition by Dark Horse Comics. He is now writing GREEN LANTERNS for DC Comics.
