Matt Wagner : Grendel Omnibus Volume 4: Prime before purchasing it in order to gage whether or not it would be worth my time, and all praised Grendel Omnibus Volume 4: Prime:

0 of 0 people found the following review helpful. Five StarsBy PaigeGreat to complete the collection.0 of 2 people found the following review helpful. Nothing but Prime!By ryan baughmanWar Child tpb was the 1st Grendel comic I read. Big fan of Grendel Prime stories. Never read any of the Hunter Rose or his offspring's stories, except the Batman crossover, can't compare this with others. Sorry. If you are a Grendel Prime fan this is a must have! Nothing but Prime. Only way to make this better is the Batman crossover.0 of 4 people found the following review helpful. Watt Magner

is a very good writer. By Julian Compton Tremendous value is this whole series. Matt Wagner is always at least good and often he is great. The whole series is recommended.

The world belongs to Grendel-Khan Orion Assante and his elite warrior caste of Grendels, but when Orion dies, the world is thrown back into chaos. To protect young Jupiter Assante, rightful heir to the throne, those still loyal to the Grendel-Khan must turn to a new power, the terrifying Grendel Prime! The story of Orion's cyborg paladin unfolds in *War Child*, *Devil Quest*, and *Past Prime*, three tales that form the apotheosis of Wagner's groundbreaking, centuries-spanning epic! * *War Child* won the Eisner Award for Best Limited Series! * Includes the *Past Prime* novel written by Greg Rucka and illustrated by Wagner!
