Dan Slott : Silver Surfer Volume 1: New Dawn before purchasing it in order to gauge whether or not it would be worth my time, and all praised Silver Surfer Volume 1: New Dawn:

A Great Introduction to a Character I Never Knew By TB Before reading this story, my only experience with the Silver Surfer was the second Fantastic Four movie and a one issue story in Daredevil. Well, I must say I was blown away. Slott takes the reader on quite the "ride" through the cosmos. The Surfer and Dawn are the perfect travel companions and there are a lot of funny, touching moments as they get to

know each other. The Allreds tear it up on the art side of things. Sometimes I find their art a little off, but they fully embrace the wackiness of Slott's story and truly serve as a perfect fit. Let's just hope this story continues for years to come. 1 of 1 people found the following review helpful. Fun and beautiful By S This was a fun and cosmic story, with really great artwork. The Allreds nailed it! Couple of fun cameos too, especially fun to see Dr Strange. 0 of 0 people found the following review helpful. Five Stars By James B This whole series is great!
