The Simpsons are shaking off the status quo when they take the show on the road with a musical extravaganza produced by maestro of renown, Krusty the Clown. Then, Dr. Nick's cosmetic quackery is called into question, but the "good" doctor may serve a purpose in the shaky medical establishment that few are willing to admit. And after winning a law license in a bar bet, Homer becomes the hottest lawyer in town, but it is not long before HE is fending off the FBI, only to find himself in a federal prison surrounded by former friends and foes and facing a shakedown.
