Tatsuya Ishida : Sinfest Volume 1 before purchasing it in order to gage whether or not it would be worth my time, and all praised Sinfest Volume 1:

AT LAST! "The webcomic to end all webcomics" has landed at Dark Horse, and we're starting the collections at the beginning! Sinfest is one of the most-read and longest-running webcomics out there, and explores religion, advertising, sex, and politics in a way Fleen.com calls "both brutally funny and devastatingly on-target." In an era when most syndicated newspaper strips are watered down and uninspired, creator Tatsuya Ishida draws on influences ranging from Calvin and Hobbes and Peanuts to manga and pop culture to bring us a breath of fresh air. If your comic-strip craving hasn't been satisfied since the nineties, deliverance is finally at hand!
