I adore the characters, plot, and comedic/romantic tones that it carries. The three volume combination is such a great money saver for me as I have been waiting to own this series for a loooong time now. The quality of the

pages are thinner but that doesn't detract from the art or contrast quality. Please continue with the series 3-in-1 and Yoshiaki Nakamura, continue your wonderful work! 0 of 0 people found the following review helpful. Nakamura delivers By Merike Yes, Ms Nakamura delivers, although, I found this volume weaker. There was not so much make laugh out loud moments and sometimes there were too many chibis. Of course, it's not a comedy, so story wise it's an enjoyable read regardless. The will they or will they not is very strong (Kyoko/Ren) and not changing anytime soon considering Kyoko's paranoia with anything to do with love. Her acting is moving along with great leaps and it's even suggested she's better than Ren, which triggers typical Kyoko reaction (very funny). The volume ends in a cliffhanger of sorts so looking forward to the next one! 0 of 0 people found the following review helpful. ADORABLE SERIES! By D This one is the most adorable series out there, I got hooked to it right away! I just wish the 2 main characters get together already after so long of flirting and helping each other out!! The art is amazing and it actually shows emotions well! Too bad the anime doesn't continue like the books...

A bargain omnibus edition of the bestselling romantic comedy series Kyoko Mogami followed her true love Sho to Tokyo to support him while he made it big as an idol. But he's casting her out now that he's famous enough! Kyoko won't suffer in silence she's going to get her sweet revenge by beating Sho in show biz! Kyoko's been scouted for a role in the year's most anticipated drama, Dark Moon! It's a remake of the classic drama Tsukimori, and expectations from the producers are high. But disaster lurks around every corner as Kyoko and Ren struggle with their roles and costars. Can their growing friendship help them weather the storm, or will it prove to be a dramatic liability?! Reads R to L (Japanese Style) for teen audiences.
