I adore the characters, plot, and comedic/romantic tones that it carries. The three volume combination is such a great money saver for me as I have been waiting to own this series for a loooong time now. The quality of the

pages are thinner but that doesn't detract from the art or contrast quality. Please continue with the series 3-in-1 and Yoshiki Nakamura, continue your wonderful work! 0 of 0 people found the following review helpful. Great! She's brought new life to her new bully role and really impressed the director and crew. But Kyoko's success sends her costar Chiori over the edge! Can Kyoko use her understanding of the dark side to help her fellow actress work past her personal demons, or will the clash of their personalities destroy the set?!
