The three volume combination is such a great money saver for me as I have been waiting to own this series for a loooong time now. The quality of the

pages are thinner but that doesn't detract from the art or contrast quality. Please continue with the series 3-in-1 and Yoshiki Nakamura, continue your wonderful work! 2 of 2 people found the following review helpful. The main character Kyoko develops through series and becomes one fine "not teenage girl any more" girl. By Pepusha125 My number one shojo manga. The main character Kyoko develops through series and becomes one fine "not teenage girl any more" girl, who finds new sides of herself and the story is just amazing and characters are wonderful. Just my favorite one

Kyoko Mogami followed her true love Sho to Tokyo to support him while he made it big as an idol. But he's casting her out now that he's famous enough! Kyoko won't suffer in silence; she's going to get her sweet revenge by beating Sho in show biz! Kyoko finally has Sho's attention, and now she doesn't want it! It's not that she's given up on her revenge, but she's busy focusing on her career and doesn't want Sho poking around and annoying her. And Sho proves her concerns right when his Valentine's Day prank goes horribly wrong and gets Kyoko in trouble with the president of L.M.E.!
