I adore the characters, plot, and comedic/romantic tones that it carries. The three volume combination is such a great money saver for me as I have been waiting to own this series for a loooong time now. The quality of the pages are thinner but that doesn't deter away from the art or contrast quality. Please continue with the series 3-in-1 and Yoshiki Nakamura, continue your wonderful work!0 of 0 people found the following review helpful. Five StarsBy
