From Nakamura, Yoshiki : Skip Beat!, Vol. 18 before purchasing it in order to gage whether or not it would be worth my time, and all praised Skip Beat!, Vol. 18:

This volume is like the rest of the series, absolutely hilarious but with just the right amount of serious moments to remind you this is essentially a drama instead of just pointless humor. But I still wonder about why the relationship between Ren and Koo is the way it is. This volume also brings up the question if we're ever going to actually see Kyoko's mother?As for this series being on the new Kindle

Fire HDX I couldn't be happier! You can actually zoom in on the frames if there's something you can't see well and that was always a complaint I had for other comic series. Reading my manga without having to worry about people giving me strange looks was the reason I got a kindle in the first place and I can't tell you how great it is that my favorite series is finally supported by the Kindle! The only downside was that this series isn't available on my old Kindle Fire for some reason so I actually had to upgrade to the newest model. Hurt my pockets but if they keep making manga available this baby will pay for itself pretty quick. And that the digital manga are half the price of an actual book is just can't be beat!0 of 0 people found the following review helpful. Amazing artwork, perfect storylineBy Kaiya_BrittaniaBig skip beat fan, cant get enough!!Amazing artwork, perfect storyline, romance, drama, comedy, you can connect with the charactersI just love it!!! So glad I started this series!! wish the anime would come out in American/English!!0 of 0 people found the following review helpful. Just as describedBy KatybugThis was a gift and the recipient loved it. I got it quickly and in great condition. It was just one of several in this series and it was a great addition.

R to L (Japanese Style)Kyoko Mogami followed her true love Sho to Tokyo to support him while he made it big as an idol. But he's casting her out now that he's famous! Kyoko won't suffer in silence--she's going to get her sweet revenge by beating Sho in show biz!Kyoko hasn't had a Love Me Section job in a while, and this newest assignment is pushing her limits. She's now the personal assistant to Koo Hizuri, a Japanese actor turned Hollywood star, and everyone knows how assistants are treated in Hollywood! Can Kyoko see past Koo's meanness, or will his nastiness just make her demons worse?!
