amazing! If you want shojo thrown in with some comedy and just all around goofiness this is the manga for you! It tends to have its serious moments too but i do not regret picking this manga up!0 of 0 people found the following review helpful. BestBy vanessa RodriguezI love manga thanks

Show biz is sweet, but revenge is sweeter!Reads R to L (Japanese Style). Kyoko thinks she's survived Valentine's Day, but that's just the kind of attitude that gets her in trouble with the president of LME. Lory is very disappointed in the girls of the Love Me Section and sets up special new assignments to teach them the power of love. But will the president's strange methods have any affect on the troubled souls of Chiori, Moko and Kyoko?
