LovelyBy BellaI would love to recommand this series to a type of girl who loves reading about actors and singers and how one girl's dream of following her true love's path to stardom and learn that he doesn't want her anymore. But now that she out for revenge against her what used to be true love.

Show biz is sweet, but revenge is sweeter!Reads R to L (Japanese Style), for audiences T. Kyoko Mogami followed her true love Sho to Tokyo to support him while he made it big as an idol. But he's casting her out now that he's famous! Kyoko won't suffer in silence--she's going to get her sweet revenge by beating Sho in show biz! Kyokos having trouble getting into the role of Cains sister. But is it because she cant relate to a spoiled punk princess, or because she cant let go of the fact that Ren is playing Cain? And Ren faces his own challenge with the situation. Can he stand to have the woman he loves treat him like a brother?
