**Yoshiki Nakamura : Skip Beat!, Vol. 30** before purchasing it in order to gage whether or not it would be worth my time, and all praised Skip Beat!, Vol. 30:

I quickly fell in love with Skip beat and was excited to find it being translated to English. Since I enjoy the series so much I quickly decided I wanted to support this author, as well as keep my own personal copy of the series. If you enjoy romantic comedy and some really fun quirks,

this series is awesome. Its also fun seeing Kyoko's personal growth. Though she is badly hurt and angry at first, seeing her really grow and mature through out the series makes this manga stand out from the crowd. 0 of 0 people found the following review helpful. It's Lovely! By FabledOf93 Came fast and the story is great! I love and feel for Kyoko. 0 of 0 people found the following review helpful. Cain and Setsu ride again By Firefly The story continues with Cain and Setsu on the set of the movie. Ren fights his past and Kyoko has more questions than answers.

Show biz is sweet, but revenge is sweeter! Kyoko Mogami followed her true love Sho to Tokyo to support him while he made it big as an idol. But he's casting her out now that he's famous! Kyoko won't suffer in silence--she's going to get her sweet revenge by beating Sho in show biz! Ren's new cast mate Taira Murasame used to be a biker, and he sees show biz as just another gang to get to the top of. Normally Ren would have no problem dealing with a punk, but his role as BJ requires him to tap his darkest depths. When Murasame and Ren have to fight on camera, can Ren remember that its only acting?! Reads R to L (Japanese Style) for teen audiences.
