surprise to longtime fans of the series - if you have been reading Skip Beat! from the beginning, you should have no reason to stop now. Things continue to escalate between the Heel siblings in this volume, and it's not going to stop anytime soon. If you have not read Skip Beat! yet, do yourself a favor and go buy a few volumes. It's the best shoujo manga you can buy.

Kyoko Mogami followed her true love Sho to Tokyo to support him while he made it big as an idol. But he's casting her out now that he's famous! Kyoko won't suffer in silence--she's going to get her sweet revenge by beating Sho in show biz! Rens trademark cool is beginning to crumble under the strain of maintaining his various personas. And the sudden manly attention being directed at Kyoko from fellow actor Kijima and a newly determined Sho aren't helping matters. Will Kyoko's good luck charm keep him in check, or will the beast chained inside him destroy them all?! Reads R to L (Japanese Style) for teen audiences.
