CarterIf you like manga with the normal silliness but with interesting and unique characters that will make you care what happens to them, you may like this series as much as I do. :0)The story is a good mix of seriousness and romance and show biz life. No fan service if that's what you are looking for. My only complaint is the books are too short. I wanna know what happens next! :0)2 of 2 people found the following review helpful. Great bookBy Kindle CustomerI chose this rating because this manga

is one of the best manga series I have read and it keeps getting better. I love the artist's artwork. I love how the artist balances drama comedy and romance together that they work with each other. I recommend this manga series.0 of 0 people found the following review helpful. Five StarsBy Giang TranArrived on time and was very satisfied with the purchase :)

Kyoko Mogami followed her true love Sho to Tokyo to support him while he made it big as an idol. But he's casting her out now that he's famous! Kyoko won't suffer in silence--she's going to get her sweet revenge by beating Sho in show biz! The President of LME has called Kyoko in for a special meeting, and she is all set for Judgment Day. Especially when Ren shows up too! But to her complete shock, Lory doesn't reveal that she has feelings for Ren. In fact, he's giving Setsuka some time off so Kyoko can study for finals. It seems like her secret is safe from Ren, but there's no hiding from her own feelings. How will she cope with a heart that's slipped its bonds?!
