Bumstead Jr.(I'm a girl, but I'm using my step-dad's account for

Prime.) This is one of my favorite manga series. I'm never disappointed in it and that continues with this volume. :D It's still ongoing though and doesn't appear to be coming to a conclusion anytime soon, so if you want to read a completed manga then this isn't the one for you. If you just want to read an awesome manga that has romance and comedy though, you should definitely get this. 0 of 0 people found the following review helpful. Translate faster please! By J. S.
