I adore the characters, plot, and comedic/romantic tones that it carries. When Kyoko's heart is broken, she decides that revenge is a dish best served in the spotlight! Kyoko Mogami followed her true love Sho to Tokyo to support him while he made it big as an idol. But he's casting her out now that he's famous! Kyoko won't suffer in silence--she's going to get her sweet revenge by beating Sho in show biz! After years of no contact, Kyoko finally has the chance to confront the mother who abandoned her. Her friends are worried that the meeting will break her, but Kyoko's time with Ren and the Love Me section has toned down her rage and given her an impressive inner strength. Kyoko may be ready to face her past, but is she strong enough to face her mother's too?!
