It is a shame that they cannot rescue at least their friendship!0 of 0 people found the following review helpful. One of my favoritesBy Hobbyist101I have been reading this series since 2005. I adore the characters, plot, and comedic/romantic tones that it carries. The three volume combination is such a great money saver for me as I have been waiting to own this series for a looong time now. The quality of the pages are

thinner but that doesn't detract from the art or contrast quality. Please continue with the series 3-in-1 and Yoshiki Nakamura, continue your wonderful work! 0 of 0 people found the following review helpful. Skip Beat---Awesome Manga By Customer Skip Beat is a great manga and I would recommend it to anyone who likes an awesome story! I'm ADDICTED to it! It makes me laugh and it's so well written that you get a really good grasp of the characters. I can't wait until the next one comes out!!! Another manga that is kind of similar to Skip Beat! is The One, which is another addictive manga. Tokyo Crazy Paradise is another work by Yoshiki Nakamura that is completed and it is EXCELLENT!!! If you can find it translated, read it-you won't regret it!

Kyoko Mogami followed her true love Sho to Tokyo to support him while he made it big as an idol. But he's casting her out now that he's famous! Kyoko won't suffer in silence--she's going to get her sweet revenge by beating Sho in show biz!
