1 of 1 people found the following review helpful. What the!By Kindle CustomerThis issue was cut short, what the heck happened to they're training and the actual audition for the fight scene? I know this issue was longer because a read the whole thing and volume 40 starts after that were Kyoko is speaking with the lead actor about Mr Tsuraga. I feel I've been jipped though you did add an additional side story its still not enough. You charged the same as the earlier chapters and this has less in it. Plus 40 wont be out until next year 'nor fear at all'.0 of 0 people found the
