By Joshua White  
Great comic book series. In depth story that doesn't take itself too seriously.

The dwarf has been forcibly returned to his homeland and the deranged, diminutive denizens of Dwayre will make sure its a homecoming like no other. Get ready for compressed calamity, small skirmishes, truncated troubles, and pint-sized pugilism along with the history of dwarves (y' know, the 'short' version). Collects Skullkickers #24-29.
