Now, Skullkickers is not my usual preference for my graphic novel collection. But, to me, it's a must have. Not as good as the earlier volumes. But, still fun and adventurous. Hope this helps. Definitely recommend this and all volumes of Skullkickers! Even if Fantasy

stories aren't your typical thing. It's just pure fun and funny. Along with great stories.0 of 0 people found the following review helpful. The Bar Fight to End all Bar FightsBy SmuckitelliThis is one giant, entertaining, well plotted, fourth wall breaking bar fight. It's awesome, with a side of awesome, slathered in awesome sauce. And funny too.0 of 0 people found the following review helpful. A great ride while it lastedBy Ed S.I am sad this was the last volume of Skullkickers but it was great. My favorite fantasy comic. If you haven't read it yet you're in for a real treat (and if you haven't why are you reading a review of the sixth volume? Go start at number one!)

A gang of hard-headed mercenaries kill monsters and cause havoc in their chaotic search for money, fame, and adventure! In this volume, the Skullkickers story comes to end, but it's not going out without a fight! Beer, blood, and battle collide in the ultimate brawl to end it all!
