Jon Schnepf : Slayer: Repentless before purchasing it in order to gauge whether or not it would be worth my time, and all praised Slayer: Repentless:

1 of 5 people found the following review helpful. Five Stars By SatanArrived in great condition!

The planet's most badass metal band takes control of comics! The ultimate thrash juggernaut, Slayer has dominated stages and destroyed audiences for over thirty years, with their latest album, Repentless, showing no signs of slowing

down or showing mercy. Based on the brutal Repentless video trilogy by B. J. McDonnell, this expansion of the video storylines by writer Jon Schnepf (Metalocalypse, Venture Brothers) and illustrator Guiu Vilanova (Conan, Weird Detective) drives deep into the darkest heart of America, spawning a raging road trip down a bloodstained highway, a tale of the doomed, the damned . . . and the repentless! This is pure satanic, evil filth."--The Vigilant Christian (on Slayer's Repentless video)"We're telling the story that we've always told about society and how humans treat each other."--Tom Araya, Slayer
