Bryan Q. Miller : Smallville Season 11 Vol. 2: Detective before purchasing it in order to gauge whether or not it would be worth my time, and all praised Smallville Season 11 Vol. 2: Detective:

0 of 0 people found the following review helpful. Comics are not the same as they used to be By Linda The graphics and paper used are top quality. I found the text to be exceedingly tiny and hard to read. I used to be a huge Superman fan when I was a kid--in the 60s, but there are too many super heroes now and it isn't the same. 0 of 0 people found the following review helpful. Worth Reading! By Thomas Wyatt Vaught First smallville book was decent, but this one

REALLY picks up the story. All the characters are written with care, and are true to their TV counterparts. Batman is written well too. Definitely will be continuing with this series. If you are looking for more smallville, you will be pleased!0 of 0 people found the following review helpful. Great giftBy PaigeThis was a gift for a friend, but it looked great.

When we left Clark Kent at the end of Smallville Season 10, he had finally donned the iconic Superman suit and set out to defend Earth from Apokolips. Picking up six months later, Smallville Season 11 explores Clark's understanding of the true power of his Superman identity, its effect on those close to him and its ability to inspire the people of Earth. In this collection, Superman discovers a vigilante is operating in Metropolis, hunting a killer. Only known as "The Batman," this vigilante will stop at nothing to find his parents killer, even if it puts him on a collision course with The Man of Steel.

About the Author Bryan Q. Miller is an American television and comic writer most notable for his work on the CW's "Smallville" and DC's "Batgirl."
