**Bryan Q. Miller : Smallville Season 11 Vol. 5: Olympus** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Smallville Season 11 Vol. 5: Olympus:

1 of 1 people found the following review helpful. Read the book! By BarClay I have been consistently pleased by the high quality of the stories and artwork in Season 11 of Smallville. These comic books are superior in every way to the television show, which I stopped watching after the fifth season -- purportedly right after it started to get good. I don't give away any plot to point out that Clark Kent gets to meet Wonder Woman. But the ending was -- way better than I

expected. It's good to see Superman being Superman instead of a pale imitation. If you don't know what I mean, read the book!

By Mary K  
Another fantastic outing from Bryan Q Miller. These Smallville comics have been an absolute delight and his take on Wonder Woman is no exception to that rule. This book features a truly delightful first meeting between Diana and Steve Trevor. It's so great to see Steve get the attention he deserves. As per usual, Miller's Clark Kent and Lois Lane are just as fun and sweet as we expect them to be. This man deserves a shot at a Superman book at DC Comics. I hope he gets the chance at some point.

By Kal-EI  
This is a great ending to an already perfect series, the artwork is a little odd at times but I am no stickler for that sort of thing as long as it tells the story well and isn't difficult to look at. The characters are very well written and the story itself, while leaving much to the imagination, is a wonderful (pun intended) origin story of sorts of how Princess Diana of Themyscira becomes Wonder Woman. A great read and an even better journey, don't miss out!

Superman and new ally Wonder Woman race to stop magical terrorist Felix Faust from launching an attack on the nation's capital. Meanwhile, Lois launches an attack of her own by digging into the shadowy connection between Faust and the new Department of Extra-Normal Operations. Diana's mysterious past may hold the key to helping Superman stop Faust in the present, but the warlock isn't working alone. Don't miss the epic fight of Superman and Wonder Woman taking on Faust and Hades! Collects SMALLVILLE SEASON 11 #16-19.

About the Author  
Bryan Q. Miller is an American television and comic writer most notable for his work as Executive Story Editor on the CW Network's Smallville. For DC Comics he has written BATGIRL, TEEN TITANS and currently SMALLVILLE SEASON ELEVEN.
