Go Ikeyamada : So Cute It Hurts!!, Vol. 1 before purchasing it in order to gage whether or not it would be worth my time, and all praised So Cute It Hurts!!, Vol. 1:

1 of 1 people found the following review helpful. Bought on a whim, now addictedBy missauruI have to say this series is so darn cute it really does hurt! I find myself looking forward to each new volume as soon as I finish the one Im reading. I especially love how Megu and Aoi's relationship is developing and cant wait to see it advance even further. I think the fact that she now found something she is interested in pursuing (being a manga artist) is really great for her!I am also glad to see that Mitsuru and Azuza seem like they will be a good match and help each other heal and open up

to others respectively. This relationship has really started to grow on me. Though not the most exciting volume it is hinting at upcoming drama, so stay tuned folks! 0 of 0 people found the following review helpful. what you would expect from a shoujo beat series By Joshua Y. Yuan So Cute It Hurts is probably most easily described as something you'd expect out of a shoujo beat series, with the strangely convenient attraction, coincidences abound, and oddly normal school setting and reasonably simple plot. But if that's what you came for, then you will be satisfied with this series. Without divulging plot points, this volume introduces characters, but leaves details concerning relationships between characters for the next volume (though the clues are probably enough to fill in most readers). 1 of 1 people found the following review helpful. Life isn't always greener for the other person gender By Paul Jutras When Mitsuru is in danger of failing his classes in the all boys school he attends he makes his twin sister swap places with him. Life isn't so much a breeze pretending to be a girl in a co-ed school as he thought as he comes to terms with the concept of Mean Girls and finding someone who might be his true soul mate. While the class work is no problem for Meg life isn't much easier as dressed like a guy she has to hide her feelings to the soul mate of her own she meets in her brothers school. At romantic comedy dealing with true love and the meaning of true friendship.

The comedy starts when the cross-dressing begins! The Kobayashi twins, Mego and Mitsuru, were named after historical figures, but only Mego has grown up with a taste for history. So when Mitsuru is in danger of losing his weekends to extra history classes, he convinces his sister to swap clothes with him and ace his tests! After all, how hard can it be for them to play each other? But Mego can't rely on just her book smarts in Mitsuru's all-boys, delinquents paradise of a high school. And Mitsuru finds life as a high school girl to be much more complicated than he expected!

From School Library Journal Gr 9 Up Twins Mego and Mitsuru's differences go beyond gender. While Mego enjoys history and history-themed video games, Mitsuru prefers competitive fighting and the pursuit of girls. On the verge of punishment due to poor performance in history class, Mitsuru convinces Mego to take his place at his all-boys school for one week to improve his grades. Cross-dressing high jinks ensue, and the result is a lighthearted comedic shoujo, heavy on syrupy sweet moments. The comedy results from the twins acting in ways that are typically reflective of traditional gender roles. Readers will find themselves chuckling at Mego's difficulty with remaining in character and Mitsuru's gender-bending flirtatiousness. For all intents and purposes, Mego and Mitsuru are cutely drawn (as teens and as chibis) and have the appeal of playful puppies and kittens. Teens will find themselves amused by the story while wishing for the big reveal. As in all series installments, the resolution will have to wait for the next volume. VERDICT A typical shoujo comedy of errors for manga fans. Tamela Chambers, Chicago Public Schools About the Author Go Ikeyamada is a Gemini from Miyagi Prefecture whose hobbies include taking naps and watching movies. Her debut manga Get Love!! appeared in Shojo Comic in 2002 and her current work So Cute It Hurts!! (Kobayashi ga Kawai Suguite Tsurai!!) is being published by VIZ Media.
