Go Ikeyamada : So Cute It Hurts!!, Vol. 2 before purchasing it in order to gage whether or not it would be worth my time, and all praised So Cute It Hurts!!, Vol. 2:

0 of 0 people found the following review helpful. mostly predictable but amusing development, definitely a shoujo beat seriesBy Joshua Y. Yuanpresumably, if you are interested in volume 2, you've already read or are at least considering volume 1, and my point with volume 1 still stands here: if you are looking for a fomulaic shoujo beat manga, you can't go wrong here. It's somewhat predictable, but at least it's amusing.without divulging plot points or spoilers, volume 2 clears up some relationship bits left hanging from volume 1, but leaves viewers with what i'd

consider the first really major development in the series at the end of the volume. 1 of 1 people found the following review helpful. Almost at the finish line, or are they???

By Anime Lover Well the week is almost over and the switched twins have managed to keep up the images of being each other. But when Megu discovers the secret of the toughest boy in school, is her crush going to end before it begins? And what about the feud between her (brother) and the school bully princess? How is he going to fix things so there is no fallout when they switch back, but also for the girl that he has fallen for? And when other secrets are revealed, is this the end of the story - or the beginning of a new one?

I actually have to admit this has been a good series so far. a lot of twists you never would have expected are revealed, and the ending you probably expected, but not in the way they pulled it off. I will keep reading this and see what new excitement hits our duo siblings.

0 of 0 people found the following review helpful. Perfect!!!!

By Customer I couldn't have hoped for it to be in better condition! It's as perfect as it would be if I went to a book store and bought it. I highly recommend. Five stars.

The comedy starts when the cross-dressing begins! The Kobayashi twins, Mego and Mitsuru, were named after historical figures, but only Mego has grown up with a taste for history. So when Mitsuru is in danger of losing his weekends to extra history classes, he convinces his sister to swap clothes with him and ace his tests! After all, how hard can it be for them to play each other? But cross-dressing is the least of their worries! Mitsuru is now on the hit list of a popular school bully, and no one but Megumu's weird friends and the girl of his dreams are willing to stand up with him against the attacks. Megumu has fallen in love too, but it turns out her new flame is allergic to girls! Can the twins avert tragedy, or was switching places the beginning of a disaster?!

About the Author Go Ikeyamada is a Gemini from Miyagi Prefecture whose hobbies include taking naps and watching movies. Her debut manga *Get Love!!* appeared in *Shojo Comic* in 2002 and her current work *So Cute It Hurts!!* (*Kobayashi ga Kawai Suguite Tsurai!!*) is being published by VIZ Media.
