Go Ikeyamada : So Cute It Hurts!!, Vol. 6 before purchasing it in order to gage whether or not it would be worth my time, and all praised So Cute It Hurts!!, Vol. 6:

1 of 1 people found the following review helpful. Bought on a whim, now addictedBy missauruI have to say this series is so darn cute it really does hurt! I find myself looking forward to each new volume as soon as I finish the one Im reading. I especially love how Megu and Aoi's relationship is developing and cant wait to see it advance even further. I think the fact that she now found something she is interested in pursuing (being a manga artist) is really great for her!I am also glad to see that Mitsuru and Azuza seem like they will be a good match and help each other heal and open up

to others respectively. This relationship has really started to grow on me. Though not the most exciting volume it is hinting at upcoming drama, so stay tuned folks! 0 of 0 people found the following review helpful. what you would expect from a shoujo beat series By Joshua Y. Yuan So Cute It Hurts is probably most easily described as something you'd expect out of a shoujo beat series, with the strangely convenient attraction, coincidences abound, and oddly normal school setting and reasonably simple plot. But if that's what you came for, then you will be satisfied with this series. Without divulging plot points, this volume introduces characters, but leaves details concerning relationships between characters for the next volume (though the clues are probably enough to fill in most readers). 1 of 1 people found the following review helpful. Life isn't always greener for the other person gender By Paul Jutras When Mitsuru is in danger of failing his classes in the all boys school he attends he makes his twin sister swap places with him. Life isn't so much a breeze pretending to be a girl in a co-ed school as he thought as he comes to terms with the concept of Mean Girls and finding someone who might be his true soul mate. While the class work is no problem for Meg life isn't much easier as dressed like a guy she has to hide her feelings to the soul mate of her own she meets in her brothers school. At romantic comedy dealing with true love and the meaning of true friendship.

The Kobayashi twins, Megumu and Mitsuru, were named after historical figures, but only Megumu has grown up with a taste for history. So when Mitsuru is in danger of losing his weekends to extra history classes, he convinces his sister to swap clothes with him and ace his tests! After all, how hard can it be for them to play each other? Megumu is considering a career as a manga artist, but as Mitsuru so helpfully points out, her drawing skills could use a lot of improvement. That doesn't dim her enthusiasm, and she vows to practice drawing every day. But her first sketching session in a park is interrupted by an intense young man who goes ballistic when he sees the portrait of Aoi in her sketchbook! Who is this stranger, and why does he want to destroy her boyfriend?!

About the Author Go Ikeyamada is a Gemini from Miyagi Prefecture whose hobbies include taking naps and watching movies. Her debut manga Get Love!! appeared in Shojo Comic in 2002 and her current work So Cute It Hurts!! is published by VIZ Media.
