Ed Brisson : Sons of Anarchy Vol. 2 before purchasing it in order to gage whether or not it would be worth my time, and all praised Sons of Anarchy Vol. 2:

On TV we pick up in season 4 learning that Jax had been stabbed and the club had made some deals with the Russians leading up to Opies wedding. This comic allows us to see the story behind Samcro and Putlova during those 14 months. And a little side story about the kind of man we would get to know as Lee Toric. Volume 1

had me fearing cheesy dialogue throughout this series, but this was well written drama. 0 of 0 people found the following review helpful. By Dan Waiting for part 3! these comics are really good. Each volume takes place between the diferent seasons of the show.

Two new stories for fans of the FX hit Sons of Anarchy! The town of Charming is more dangerous than ever.. In this new story arc set after the events of season three, Gemma and Tara must keep the peace on the homefront as Jax, Clay, and the others serve their time in prison. With bridges getting burned every day, the Sons of Anarchy work hard to get as many allies as they can before time runs out. There's a power vacuum left all along the West Coast and the Sons of Anarchy are determined to make sure the right crew fills it with whatever force necessary, and deadly force is always on the table... This volume collects issues #7-10 by new series writer Ed Brisson (The Field, Sheltered).
