And also what would drive someone to lead a group of nobodies that have no purpose. Well this book sure showed me one horrifying possibility. This books takes a little from Helter Skelter,and a little True Detective, and throws you into a very dark world, of orphans, murderers and

you guessed it the devil. If you like a dark, beautifully rendered story following believable characters, then try this one out.0 of 0 people found the following review helpful. Great horrorBy adrianGreat comic cant recommend it enough the writing and art is wonderful. Ordering volume 2 and adding it to my comics list0 of 0 people found the following review helpful. Pick up, AMC!By Derek SmithNeeds to be a TV show!
