Travis becomes increasingly embroiled in David's plansBy PaulAllardAn orphan with anger management problems, Travis, finds out more about his father, David, a cult leader wholl stop at nothing to gather his children together to help bring a demon into our world. He is manipulated by others and does not know who to trust. He encounters some of his siblings with devastating effect. The volume ends on a

cliffhanger as he nears the end of his mission to stop his father. The artwork is interesting and hazy at times. The plot is engaging and interesting and I recommend it. Lets have Volume 3.
